Please answer the following in essay format. (500 words or less)

Why are you applying to the American Service Academies Program? Why do you think is it important for current and future members of the U.S. Armed Forces to study the Holocaust and the events surrounding it?

*Please choose **one** of the following quotes/statements to comment on in essay format. (600 words or less)*

1. “First they came for the Communists, but I was not a Communist - so I said nothing. Then they came for the Social Democrats, but I was not a Social Democrat - so I did nothing. Then came the trade unionists, but I was not a trade unionist - so I did nothing. And then they came for the Jews, but I was not a Jew - so I did nothing. Then when they came for me, there was no one left who could stand up for me.” - Pastor Martin Niemöller (1892-1984)

2. “How fortunate for leaders that men do not think.” – Adolf Hitler

3. When he was on trial for his life in Jerusalem, part of Adolf Eichmann’s defense was that no one ever told him what he was doing was wrong. He was, he contended, merely a bureaucrat implementing policies assigned from on high, making trains run on time. (Adolf Eichmann was the Nazi officer responsible for organization of the deportation and mass murder of Jews throughout Europe.)
